I asked Mr. Greenwood and Dr. Berlie to send me a report as to whether Ramandroog would make a suitable prison sanatorium for cases of Pulmonary Tuberculosis in view of the Madanapalle scheme being held up for want of funds, but I do not consider that 'Ramandroog' would be suitable for our purpose.

From the treaty it is clear that the Military Department have no right of ownership in the land. If the land is not required for that department it reverts to the Local Govt. From the recitals in the treaty it could be seen that even before the barracks were constructed there were permanent residents & European and Govt. can retain possession so long as it is required for such residential purposes or for the purpose of Circar. Even after the Military vacate the land, the land will evidently have to remain in the possession of this Govt. who will pay the yearly rent due to the Rajah and the Chance of the Govt. handing over powers to the Rajah are remote & unlikely. In the reply draft reply it may be made clear that under the treaty

Please see the Satanama executed by the Jaghirdar of Sandur in G.M.C. 10.61 dtd 7-9-1847. It will be observed that the proprietary right of the land rests with the Jaghirdar and that the Govt are paying assessment for the land to the Jaghirdar at Re 1 an acre (vide correspondence in letter 549 Pol Dt 12-9-06) In 1906 about 16.88 acres of the land were retransferred to the Sandur Darbar.

2. It is therefore suted that if the Military Dept does not want the land for its purpose, it cannot sell the land to this Govt or to any out sider (Eg) the Kanarese Evangelical mission, but the land must revert to the Darbar if the land is not wanted for this Govt. This position has to be explained to the G.O.C.

3. The question whether after the Military Dept vacates, the magisterial jurisdiction in the Sanatorium should vest in this Govt is for consideration after the Military Dept actually vacates the Sanatorium.

required by the Inspector
General of Prisons. The
idea of erecting Rondaudang
as a Sanatorium has
been dropped, & the place
is practically abandoned the
position of Provincial Finance
is such that funds cannot be found for
[redacted] the Scheme.
I am to point out to you
for your information that there appears to be
some misapprehension as to the nature of the tenure on which
you hold that the land in
the Sanatorium is the property
of the Army & which can
be disposed of at its will.
The land is the property
of the Chief of Zamboanga and was
leased to the Govt. of Philippines
in 1907 for the establishment
of a Sanatorium under
conditions that are found
in the translation of the treaty
dated 12th Sabban corresponding
to the month of Shada of the year
Hawangah. (Copy enclosed) (Encl.)
The extent area originally

leased measured 139
acres (roughly) for which
Rs. 139 per annum
rent was paid at
one Rupee per acre.
In 1906, an extent of
16.89 acres was
retransferred to the
Landim Darbar and
the rent payable in
respect of the same
- mum was 95 acres -
- pandingly reduced
to Rs. 122 per annum.
(Vide the letter from Asst.
Adjutant Gl no C/430 of
1.3.06 and reply of this
Govt no. 316 Pol. of 16th
May 06 & 549 Pol. of
12th sept 1906.). The
Provincial Govt is
still paying this annual
rent to the Darbar.
In these circumstances,
the Govt of Madras are
unable to understand
how the army Dept
can dispose of the
land as its own propert

army

In case the Govt. does not want the land for departmental purposes, the land should revert to the Govt. of Madras who are the lessees of the Davidson. The army Dept. has no title which would entitle it to call upon the Govt. to cede the land to the Evangelical mission. Govt. demand the market value of the land from the Govt. of Madras; & they would the land for their own use & share etc.
